

Ready for home entertainment that's larger than life ?

Light up one of our award-winning entertainment projectors and experience visuals you thought were only possible in theatres

Now Showing. At a living room near you.

InFocus X9

★★★★

Small but perfectly formed, the X9 isn't for everyone but if you're pushed for space and money, it's a fine solution

InFocus IN80

★★★★★

Remarkable – if you're in the market for a projector, you've got to check this out.

InFocus IN82

£ 2999 ★★★★★

Scintillating performance for a very fair price – a steal

InFocus IN83

£ 3999 ★★★★★

InFocus had to raise the bar, and it has - superbly
